**FOR IMMEDIATE RELEASE**

### **Career Central Workshop One-Day Baylor Event**

One-day only event for Baylor students to attend a career workshop  
WACO, TX - September 25, 2025 — . Baylor Students are invited to attend a one-day only career workshop on campus on October 1, 2025 presented by Career Central Workshop at a discounted price the week before Career Day to enhance their networking and resume skills before meeting with professionals.

This event will take place in the Barfield Drawing Room, located on the third floor of the Student Union Building, from 1p.m. - 4p.m.. Students will receive a student discount to sign up for the event, and will receive free Common Grounds Coffee.

Students will have the opportunity to meet one-on-one with professionals and receive feedback on how to enhance their resumes. It is highly suggested for students to bring a copy of their resume to be checked by Central Career Workshop professionals.

“We are thrilled to have the opportunity to bring Career Central Workshops to Baylor University,” Savannah Smith, founder and CEO of Career Central Workshops said. “This workshop is designed to cater to student’s needs and help them feel confident to find a job in the ever-changing job market and to guide them in creating a resume that is unique and highlights their success.”

Students will have the opportunity to hear from professionals such as campus Deans and a special guest appearance from Dr. Linda Livingstone, president of Baylor University.

“Central Career Workshops is a wonderful addition to our campus, especially the week before Career Day,” Dr. Livingstone said. “I am looking forward to the opportunity to share my personal favorite professional skills and networking skills that I have used throughout my entire career.”

Career Central Workshops will be on campus tabling the entire week leading up to the workshop. They are expecting students from a variety of departments at Baylor and are looking forward to helping Baylor students in the professional world.

About Careen Central Workshops —

Founded in 2004, Career Central Workshops is a professional traveling program that works with students on networking and resume skills to better prepare future professionals of our world. They primarily work with college aged juniors and seniors looking for internships and jobs post-graduation. Career Central Workshops travels to different college campuses to provide workshops and bring in guest speakers to enhance professionalism in students.
